EXPLODED BLOCK OUTLINE OF 25X1A5a1
POSSIBLE USES OF [redacted]

Note - The following draws heavily upon the discussion at the AD's Staff Meeting this morning (20 Jan 58).

1. Long Range Research.

Comment - This would be long-range, basic research aimed at an area, country, or problem considered beyond the normal policy or time related ken of IAC intelligence.

Examples - Trends in Africa

II. Foreign Survey's or Specific Assignments.

Comment - These might be especially useful in certain under-developed countries where Soviet economic penetration may be underway or impending.

Example - Survey of Basic Economic Trends in Ghana.
